SUMMARY

Experience the world famous Secret Back House in a way you've never seen before. Travel back to the years of World War II and walk through the rooms of the annex that housed the group of 8 Jews while they hid from the Nazis. Immerse yourself in Anne's thoughts as she walks through each faithfully recreated room, thanks to the power of virtual reality.

SUMMARY

GREEN HELL, an extreme survival game where hunting wild animals, collecting species and surviving is essential. Find out how long you are able to survive when you only depend on yourself.
