## SUMMARY:

**CYBERPUNK:** It is the beginning of the 22nd century. Society has collapsed amid rapid technological progress. People are modifying their own bodies extensively. Corporations are fighting each other over data, which has become the most valuable commodity on the market. Your group, made up of cyborgs equipped with special abilities, has decided to steal some rare data from the files of an influential corporation. Infiltrating the complex without being noticed, you need to access the files and download the stack memory. But there will be nothing easy in that.

## SUMMARY:

**HOUSE OF FEAR:** A dilapidated abandoned cabin in the woods. Cobwebs in the corners, dust on the floor, dilapidated furniture and... not a living soul. From the looks of it, the house has long been abandoned, but is it really so? You try to understand what is going on here, but you only understand one thing: this house will not let you escape so easily. Looking around, you see that the doors and windows are closed, there is no electricity, and the dying flicker of the candle barely illuminates the dreary room. To his horror, he realizes that he is caught in a trap. Someone's silhouette flickers in the dim candlelight... Or was it a trick of the light? Are you ready to conquer your fears and delve into the secrets of this murky place?

## **SUMMARY:**

**THE LAST DAY DEFENSE:** You find yourself in the middle of the ongoing military conflict between two cosmic empires. This fight has been ongoing for several centuries... but the enemy is looking for a desperate and dangerous move: to change the course of history... They send their crew and a massive replicator (which can produce various weapons, equipment and machines of nothing) to the past of the Earth, cradle of civilization, to destroy our ancestors and win the war in this dirty way. As the attack begins and our reality begins to collapse, the scientists find the tipping point and send the timeship to avert disaster. Try to be a time agent: challenge your brain by building defensive structures, destroy the enemy team and think about the strategy of victory, using a battle map, a replicator and the limited energy supply that your team has achieved to return to the past .

## SUMMARY:

**SANCTUM:** The world of H.P. Lovecraft is full of dark places and mystical creatures that you should stay away from. You received a letter from your close friend Anna, a detective investigating mysterious disappearances in the nearby woods. Now you have no choice but to do everything you can to save her. In the letter, she asked for your help and you never heard from her again. You're about to do your own research. It's time to visit an old abandoned monastery, where the cult of an ancient deity was established. You will have to risk not only your life but also your soul when you encounter the mysterious force sleeping in the dungeon of the empty monastery. To find out what happened to your friend and get away from the paranormal phenomena, you will have to face the spooky secrets hidden in this dark sanctuary and solve ancient riddles.

## **SUMMARY:**

**SIGNAL LOST: The connection to the secret research station “Asgard”, orbiting the Earth, was unexpectedly lost five hours ago. The station later moved into a fading orbit. There is only one hour left before “Asgard” enters our planet's atmosphere. If the station falls on Earth, it will cause millions of victims. You are part of the emergency team that has to restore the operation of the station's systems, necessary to correct the orbit. To make this possible, your consciousness will be digitally integrated into the experimental model of engineering robots, which Fortunately they are now being tested at another nearby orbital station. What is hidden inside the space station that now seems lifeless and where did its crew disappear? Find answers and repair the main on-board computer to avoid disaster.**

## SUMMARY:

**ARCHER:** Have you ever wanted to try archery? Have you ever dreamed of becoming a hero of the Middle Ages? In Archer, you must fight hordes of orcs, goblins and trolls attacking your fortress and, in the end, defeat the main boss! You can fight alone like a real hero or call your friends to help you and shoot the monsters together. Hurry! Grab a bow and defend your castle against uninvited guests!

A vibrant, tropical island scene from a survival game. The word "SURVIVAL" is written in large, white, distressed letters across the top. In the foreground, a character in a blue shirt and brown pants stands on a sandy beach, looking out at the ocean. To the left, a small fire burns. In the middle ground, a large metal barrel floats in the shallow water. In the background, a white airplane is crashed on the beach. The sky is blue with birds flying, and the ocean is a clear turquoise color.

# SURVIVAL

## SUMMARY:

**SURVIVAL:** You were planning an unforgettable vacation trip with your friends. However, you didn't expect it to turn into a quest for survival. Lightning struck the plane and it crashed next to a small uninhabited island in the Pacific Ocean. The transmitter in the cabin is not working properly and does not allow you to tune it to the radio wave you need to call and be saved. Who knows how long you'll have to wait until the search team finds you... Meanwhile, you're shocked, scared, and starving. There are no supplies and nothing but wilderness around you. The weather is getting worse and you need a place to hide. Use your critical thinking to survive. Investigate what can be found on the island and how it can help you stay alive.

## SUMMARY:

**JUNGLE QUEST:** During a walk in the park, you found a portal that leads to the mysterious world. An amazing sanctuary populated by animals appears in front of you. But how do you get back? To find your way home, you must solve a series of puzzles and explore the mysterious world of flying islands.
